ABOUT ME

My name is Hilmi Mubarak, a student at Politeknik Negeri Cilacap, majoring in Informatics Engineering. I enjoy seeking fresh and unique inspiration, thinking creatively, and working collaboratively with teams. This inclination towards creativity and teamwork has been a driving force in my academic pursuits and professional endeavors. With a keen interest in becoming a dedicated graphic designer and passionate about creative visual solutions, I am skilled in using various editing software, including Adobe Photoshop, Adobe Illustrator, Adobe Premiere Pro, and Adobe After Effects.
